Allowable Subject Matter

Applicants gratefully acknowledge the Examiner's indication of allowability with respect to Claims 134, 135, 147-152, 153-157, and 159-161, and the allowance of Claims 169 and 170. New independent Claims 174, 193, 218, 241, 260, 279, 289, and 317 correspond to previously presented Claims 134, 174, 153, 159, 160, 161, 169, and 170.

Claim Rejection - 35 U.S.C. §102(b)

Claims 124-133, 136, 138, 142-146, 158, 162-168, and 171-173 have been rejected under 35 U.S.C. §102(b) as being anticipated by Colvin, Jr. et al. (US 6,330,464). Although Applicants do not necessarily agree with the propriety of the rejection, Claims 124-133, 136, 138, 142-146, 158, 162-168, and 171-173 have been canceled without prejudice, solely to facilitate issuance of the claims indicated to be allowable. The rejection is therefore moot.

Claim Rejection - 35 U.S.C. §103(a)

Claims 137 and 139-141 have been rejected under 35 U.S.C. §103(a) as being obvious over Colvin, Jr. et al. (US 6,330,464). Although Applicants do not necessarily agree with the

propriety of the rejection, Claims 137 and 139-141 have been canceled without prejudice, solely to facilitate issuance of the claims indicated to be allowable. The rejection is therefore moot.

Allowable Subject Matter

Claims 134, 135, 147-152, 153-157 and 159-161 have been objected to as being dependent upon a rejected base claim, but have been indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. As discussed above, new Claims are presented based on Claims 147, 159, 160, and 161 redrafted into independent form to include all limitations of their base Claim 124. New claims are presented corresponding to Claims 148-152 that depend from their corresponding allowable claim. A new claim has been presented corresponding to Claim 134 redrafted into independent form to include all limitations of its base Claim 124 and intervening Claim 132. A new claim has been presented corresponding to Claim 135 that depends from its corresponding allowable claim. A new claim has been presented corresponding to Claim 153 redrafted into independent form to include all the limitations of its base Claim 124 and intervening Claim 142. New claims are presented corresponding to Claims 155-157 that depend from their corresponding allowable claim.
